§ 367.2282

LONG-TERM DEBT

§ 367.2230 Account 223, Advances from associate companies.

(a) This account must include the face value of notes payable to associate companies and the amount of open book accounts representing advances from associate companies. It does not include notes and open accounts representing indebtedness subject to current settlement that are includible in account 233, Notes payable to associate companies (§ 367.2330), or account 234, Accounts payable to associate companies (§ 367.2340).

(b) The records supporting the entries to this account must be kept so that the service company can furnish complete information concerning each note and open account.

§ 367.2240 Account 224, Other long-term debt.

(a) This account must include, until maturity, all long-term debt not otherwise provided for. This covers items such as receivers' certificates, real estate mortgages executed or assumed, assessments for public improvements, notes and unsecured certificates of indebtedness not owned by associate companies, receipts outstanding for long-term debt, and other obligations maturing more than one year from date of issue or assumption.

(b) Separate accounts must be maintained for each class of obligation, and records must be maintained to show for each class all details as to date of obligation, date of maturity, interest dates and rates, security for the obligation, and other similar items.

§ 367.2250 Account 225, Unamortized premium on long-term debt.

(a) This account must include the excess of the cash value of consideration received over the face value upon the issuance or assumption of long-term debt securities.

(b) Amounts recorded in this account must be amortized over the life of each respective issue under a plan that will distribute the amount equitably over the life of the security. The amortization must be on a monthly basis, with the related amounts credited to account 429, Amortization of premium on

debt—Credit (§ 367.4290) (*see* General Instructions in § 367.16).

§ 367.2260 Account 226, Unamortized discount on long-term debt—Debit.

(a) This account must include the excess of the face value of long-term debt securities over the related cash value of consideration received, related to the issue or assumption of all types and classes of debt.

(b) Amounts recorded in this account must be amortized over the life of the respective issues under a plan that will distribute the amount equitably over the life of the securities. The amortization must be on a monthly basis, with the related amounts charged to account 428, Amortization of debt discount and expense (§ 367.4280). (*see* General Instructions in § 367.16.)

OTHER NONCURRENT LIABILITIES

§ 367.2270 Account 227, Obligations under capital lease—Non-current.

This account must include the portion not due within one year, of the obligations recorded for the amounts applicable to leased property recorded as assets in account 101.1, Property under capital leases (§ 367.1011).

§ 367.2282 Account 228.2, Accumulated provision for injuries and damages.

(a) This account must be credited with amounts charged to account 925, Injuries and damages (§ 367.9250), or other appropriate accounts, to meet the probable liability, not covered by insurance, for deaths or injuries to employees and others and for damages to property neither owned nor held under lease by the service company.

(b) When liability for any injury or damage is admitted by the service company, either voluntarily or because of the decision of a court or other lawful authority, such as workmen's compensation board, the admitted liability must be charged to this account and credited to the appropriate current liability account. Details of these charges must be maintained according to the year the casualty occurred which gave rise to the loss.

(c) Recoveries or reimbursements for losses charged to this account must be
